The screenshot shows the 'About' page for the 'Introduction to the History of the United States' course. The page includes a header with the course title and a brief description. Below this, there is a list of topics to be covered, including 'The Founding of the United States', 'The Civil War', 'The Reconstruction Era', 'The Gilded Age', 'The Progressive Era', 'The Great Depression', 'World War II', and 'The Cold War'. The page also features a 'Course Objectives' section and a 'Course Schedule' section.
